COMMUNICATION FROM CHILE

Import Liberalization

The following communication, dated 26 August 1981, has been received from the delegation of Chile.

On 18 August 1981 Decree No. 330 of the Ministry of the Economy was published in the Official Gazette of the Republic of Chile, revoking Decrees No. 480 of 1976 and 165 of 1978. Under this measure, the list of goods prohibited for import into Chile has been cancelled. This list comprised the following five products:

Product	Tariff Heading No.
- caviar	16.04.07.00
- articles made of artificial fur	43.04.00.00
- pearls, unworked	71.01.00
- precious and semi-precious stones, unworked	71.02.00.00
- synthetic or reconstructed stones, unworked	71.02.00.00

These products are now subject to the general import régime, i.e. they may be imported without any restriction, without prejudice to the 10 per cent customs duty. Accordingly, at the present time there are no products prohibited for import.
