17 June 1981

International Dairy Arrangement

COMMITTEE OF THE PROTOCOL REGARDING MILK FAT

Summary Tables

Revision

In accordance with Rule 28 of the Rules of Procedure, the secretariat has prepared the attached summary tables of the information furnished in Table A of questionnaire 2 in respect of anhydrous milk fat and butter.

Symbols

The following symbols have been used with the following meanings in the statistical tables:

...	not available
-	nil or negligible
( )	provisional figure, subject to revision

NOTES

The statistical tables comprise no data other than those furnished to the secretariat in reply to the questionnaires regarding products covered by the Protocols.

As the figures have been rounded, the annual totals may not correspond exactly to the sum of the quarterly totals.

The definition of stocks may differ according to the country or group of countries considered. So far as possible, the definition has been given in the tables concerned.
