GENERAL AGREEMENT ON TARIFFS AND TRADE

Committee on Trade in Industrial Products

PROGRAMME OF MEETINGS

Proposal by Chairman

1. After informal contacts with some delegations, the Chairman proposes that the Committee should hold its next meeting on 18 and 19 January 1973 in order to:

(a) proceed to detailed examination of a limited number of techniques for negotiating on tariffs, which might be used in the forthcoming negotiations;

(b) review the Illustrative List of non-tariff measures;

(c) return to the safeguard question;

(d) take up again its examination of the implications for developing countries of various techniques and modalities, if the developing countries so request; and

(e) agree on a programme of meetings for the Committee and its subordinate bodies.

2. The Chairman also suggests that the Working Party on the Tariff Study should meet on 24, 25 and 26 January 1973.

3. Airgrams convening these meetings will be issued in due course.
