**Draft General Council Decision of 31 July 2004**

**Corrigendum**

1. Annex A: Framework for Establishing Modalities in Agriculture contains certain errors which are corrected by this Corrigendum to WT/GC/W/535.
2. Paragraph 11: The word "programmes" should be replaced with "support".
3. Paragraph 34 should read as follows: "Some MFN-based tariff quota expansion will be required for all such products. A base for such an expansion will be established, taking account of coherent and equitable criteria to be developed in the negotiations. In order not to undermine the objective of the tiered approach, for all such products, MFN based tariff quota expansion will be provided under specific rules to be negotiated taking into account deviations from the tariff formula."
