12th Meeting

Page 2, delete Mr. Willoughby's remarks and insert the following:

"Mr. WILLOUGHBY (United States) referred to United States interest in any measures adopted by Cuba affecting the importation of textiles. He was glad to have a full examination of the Cuban textile problem by the Contracting Parties and approved of referring the problem to a Working Party. He said a careful study of the Cuban statement would be required before the United States could comment upon it. He also said that a Working Party charged with reviewing the problem under Article XIX should not regard itself as being precluded from referring to Article XVIII."

Page 3, delete Mr. Willoughby's remarks and insert the following:

"Mr. WILLOUGHBY (United States) said that if the United Kingdom proposal was acceptable to Cuba the United States would support it. He would like to insure coordination with Working Party No. 2 on Article XVIII either by consultation or, perhaps, setting up a joint Working Party to consider Article XVIII aspects of the problem."
