ARRANGEMENT REGARDING INTERNATIONAL TRADE IN TEXTILES

Reports on the Status of Restrictive Measures as requested  
by the TSB in accordance with Article 11

SWITZERLAND

Attached is a report received by the TSB on the present status of restrictions on trade in textiles maintained by Switzerland. This report was submitted in reply to the TSB's request for information in pursuance of Article 11 of the Arrangement, and in particular paragraphs 11, 12 and 2 thereof.

Geneva, 9 June 1980

In compliance with your request and in fulfilment of Article 11, paragraphs 2, 11 and 12 of the Multifibre Arrangement, I have the honour to inform you as follows:

Switzerland has not introduced and does not maintain any quantitative restrictions, bilateral agreements or other quantitative measures which have a restrictive effect on textile products covered by the Arrangement. Automatic licences are, however required for certain products under the Order of the Federal Council of 8 December 1975, of which you were informed by letter dated 8 January 1976 and which remains unchanged.

Accept, Sir, etc.
