ARRANGEMENT REGARDING INTERNATIONAL TRADE IN TEXTILES

Notification under Article 4:4

Modification of the Bilateral Agreement (MFA II)
between the EEC and Korea

Corrigendum

The Textiles Surveillance Body has received a notification from the Commission of the European Communities relating to a modification of the bilateral agreement concluded under MFA II between the EEC and Korea. This modification concerns the correct quota levels applied to Categories 12, 14B, 17, 21, 70 and 79 during the 1981 and 1982 agreement years.

¹The original agreement and other modifications are contained in COM.TEX/SB/389 and Add.1, 594, 639, 653, 698, 739, 755 and 805.

Brussels, 28 March 1984

Dear Ambassador,

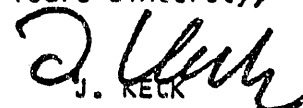

There is an apparent discrepancy between the restraint levels for certain textile categories concerning the years 1981, 1982, contained in the "Additional Protocol to the Agreement between the European Economic Community and the Republic of Korea on trade in textile products consequent on the accession of the Hellenic Republic to the European Communities" (circulated in COM.TEX.SB/653) and the restraint levels which concern the same categories and the same years published in the Community's Official Journal L 381 of 31 December 1980 (Commission Regulation (EEC) No. 3553/80) and in the Official Journal L 82 of 29 March 1982 (Commission Regulation (EEC) No. 661/82).

I would like to inform you that the figures in the above-mentioned Commission regulations as published in the Community's Official Journals are the correct ones and had actually been applied by both parties in 1981, 1982. They should read :

Cat.	Unit	1981	1982
12	1000 pairs	89.993	91.793
14B	1000 pieces	2.005	2.047
17	1000 pieces	2.256	2.302
21	1000 pieces	9.631	9.920
70	1000 pieces	11.268	11.944
78	tons	1.264	1.334

Ambassador M. RAFFAELLI
