COMMITTEE II

Corrigendum to Document E/PC/T/C.II/3

On page 9, paragraph 4, line 2, after "lowest in the world" insert:-
there were other considerations also which prevented his country from
agreeing to large scale.....

Paragraph 5 on the same page should now read:- Quantative
restrictions would definitely be needed for the purpose of economic
planning.

Paragraph 7, on page 14, line 2 should now read "domestic production"
and consumption of domestic products should be encouraged provided they
were not directed specifically against a particular member country.
