GENERAL AGREEMENT ON TARIFFS AND TRADE

Contracting Parties

Second Session

Corrigendum to the Summary Record
of the Fourth Meeting

1) The fourth and fifth lines from the bottom of page 2 should be amended in part to read:

"Dr. SPEEKENBRINK (Netherlands) declared that he could generally agree to the Canadian point of view"

2) On page 2, Dr. Augenthaler's remarks should be deleted and the following substituted therefor:

"Dr. AUGENTHALER (Czechoslovakia) regretted the decision taken, because in his view, first: Article XXV says that the Contracting Parties shall meet and not that they shall meet with others; second: the contracting parties are giving more rights to non-members of the United Nations than to Members; and third: and, by inviting inter-governmental organizations not recognized by the Economic and Social Council, they are creating a situation in which United Nations could refuse to the future ITO the status of specialized agency."
