GENERAL AGREEMENT ON TARIFFS AND TRADE

Contracting Parties

Second Session

Corrigendum to the Summary Record
of the Fifth Meeting

Page 4, third sentence from the top, to be amended to
read as follows:

"The Government of the Netherlands intended to
present both the Agreement and the Charter to
Parliament in October or November. Dr. SPEEKENBRINK
hoped that his country would be one of the first to
ratify the Havana Charter. With regard to the
proposed changes of the GATT he warned once more
against too many alterations as this would create
confusion and uncertainty that might damage the work
undertaken especially with a view to the future
tariff negotiations."
