Insert the following after paragraph 5:

Mr. NAOUM (Greece) wished to congratulate the president and the members of the Working Party for the good work they had achieved. However, on behalf of his Government he wished to state that they were ready to accept this draft report on condition that a minor modification was brought to paragraph 5 by the addition of the words "for a limited number of products" at the end of this paragraph.

Mr. EVANS (United States) pointed out the use of the word "may" in the paragraph under consideration and suggested that this indicated that no general negotiation of the Annex Schedules was anticipated. To reassure the Greek delegate, however, he proposed the deletion of the word "the" before "products".

Mr. NAOUM (Greece) thanked the United States delegate for his comprehension and stated that he would accept paragraph 5 with the proposed amendment.
