The following should be inserted before the reference to the adjournment of the meeting:

"6. Statement by the Observer for the Argentine

The CHAIRMAN, referring to the Order of the Day, said that the representative of the Argentine Government had requested an opportunity to address the CONTRACTING PARTIES and arrangements had been made to meet this request at this meeting. Unfortunately, the observer for the Argentine was leaving Geneva that afternoon and would not be able to return before the close of the session. Owing to the lateness of the hour, the Chairman had enquired whether he could leave with the secretariat a copy of the statement he had intended to read, so that copies could be distributed to the contracting parties, and this he had agreed to do." (The statement was distributed in document I/1242.)
