Delete "Austria" from the group of countries in the second paragraph and insert the following after the statement by Mr. BARTUR (Israel):

"Mr. MARTINS (Austria) said that, like the other contracting parties, his Government felt that the training programme constituted a very valuable and important initiative of GATT. The Austrian authorities had been happy to co-operate in these efforts by welcoming and assisting, during their sta in Vienna, those who had attended several GATT courses. The Austrian authorities were prepared to do likewise in the future."
