Corrigendum

Page 1, third paragraph, should read as follows:

"Mr. CLARK (Canada), at the request of the Hon. Mitchell Sharp, Secretary of State for External Affairs, thanked the Chairman and all those who had associated themselves with this tribute to Dana Wilgress. He traced a brief picture of Dana Wilgress' remarkable career: Trade Commissioner, Deputy Minister of the Department of Trade and Commerce, helping establish the first Canadian diplomatic commission in the Soviet Union, his participation in the San Francisco Conference for the United Nations, and in the preparatory work of the trade organizations and the General Agreement on Tariffs and Trade, Minister to Switzerland, Canadian High Commissioner in London, Permanent Representative to NATO, his rôle in establishing the OEEC Scientific Policy, and member of the Permanent Canada/United States Board of Defence. He went on to observe that Dana Wilgress' remarkable career in the public service and contribution to international co-operation made Canadians proud of him."
