Paragraph 6 should be amended to read as follows:

Mr. MIZOGUCHI (Japan) expressed his appreciation for the support given by some delegations and he took note of the statements made by others. He welcomed Austria's statement to the effect that the Austrian Government had already initiated the examination of the necessary steps towards the withdrawal of the invocation of Article XXXV against Japan. He added, however, that he was not quite sure what was exactly meant by the establishment of GATT relations on a de facto basis. In any case, he expressed his sincere hope that Austria would be in a position to formally disinvoke Article XXXV against Japan at the earliest possible opportunity.
