Arrangements for the publication of the
Annecy Schedules and Protocols

The Annecy schedules and protocols will be made public on 10 October, 1949 at 00.30 hours G.M.T. - the day on which the Protocol of Accession will be opened for signature.

Copies of the Protocol of Accession will be available at the Headquarters of I.C.I.T.O., Palais des Nations, Genève.

The Secretariat will arrange for suitable background guidance and an analysis of the protocols and of the results of the negotiations to be made available to the press at Lake Success and Geneva. Since 10 October falls on a Monday, these press releases will be issued, probably on 8 October, with an embargo on publication before 00.30 hours G.M.T. on 10 October.

It is expected that all governments which participated in the Annecy meetings will make their own arrangements for press and radio publicity to conform with the arrangement set out above. In no event should there be publication before 10 October 00.30 hours G.M.T.
