Contracting parties were informed (GATT/CP/40 and Add.1) that the United States and Canada had given notice of intention to apply as from 1 January 1950 the concessions provided for in their schedules in Annex A, pursuant to paragraph 3 of the Annecy Protocol. Notice has now been received from the Secretary-General of the United Nations that the Benelux countries - Belgium, Luxemburg and Netherlands - put into force on 1 January 1950 the tariff concessions provided for in Schedule II of Annex A.
2. Notifications of intention to apply the concessions negotiated at Annecy may be deposited by other contracting parties with the Secretary-General of the United Nations up to 30 April 1950.
3. Haiti became a contracting party on 1 January 1950. According to the latest advices received from the Headquarters of the United Nations, the Government of Liberia, which has also signed the Annecy Protocol, has not yet deposited instruments of acceptance for Protocol 4 - the Protocol modifying Part I and Article XXIX - and Protocol 7 - the Protocol modifying Article XXVI.
4. The Protocol will be open for signature by other acceding governments at the Headquarters of the United Nations until 30 April 1950.
