The Decision of 2 March 1950 of the Contracting Parties (see GATT/CP.4/20) calls upon contracting parties which grant or maintain subsidies such as those described in Article XVI to submit notification, accompanied by certain information, to the Contracting Parties not later than 1 August 1950.

A communication in this connection dated March 21, 1950 has been received from the Government of New Zealand advising that "New Zealand does not grant or maintain any subsidy which operates directly or indirectly either to increase exports or to reduce imports".
