#### Note by the Executive Secretary

The Executive Secretary wishes to draw the attention of the contracting parties and acceding governments to the following matters involving action to be taken pursuant to decisions of the Contracting Parties at the Fifth Session:

(a) Subsidies (GATT/CP/92):

Supplementary statements on the subsidies notified under Article XVI were to be sent in by April 15, 1951. Two statements have been received. If any other contracting party is preparing a statement for submission and advises the Secretariat accordingly by cable by May 1st the consolidation of the notifications for redistribution will be delayed by a few days to await the arrival of the statement.

(b) Consolidated Schedules (GATT/CP.5/45):

Each contracting party is expected to distribute before June 20, 1951, by the quickest route copies of a consolidated schedule of its Geneva, Annecy and Torquay concessions; one copy is to be sent to each contracting party and acceding government and three copies to the Secretariat. In addition the Secretariat is to be informed of the date on which copies are despatched.

(c) Review of Balance-of-Payment Import Restrictions (GATT/CP/89):

Replies to the questionnaire for the review of import restrictions applied under article XII and for the second report on discriminatory application of such restrictions are to reach the Secretariat not later than June 17, 1951. Three copies are to be sent by airmail and 50 copies by ordinary post.

(d) Statements on Other Import Restrictions and Export Restrictions (GATT/CP/93):

Statements on quantitative restrictions (other than import restrictions applied for balance-of-payment reasons) are to be sent to Geneva not later than June 17, 1951. Three copies are to be sent by airmail and 50 copies by ordinary post.
