COMMODITY ARRANGEMENTS (L/320)

Proposals by the Federation of Rhodesia and Nyasaland

Article IV:5

Delete the final sentence and substitute the following:

"Such modification shall be carried out within such period as the Assembly, after consideration of a report by the Standing Committee, may decide."

Article XI:i(b)

After the words "importing country" add the following:

"provided that if such arrangement has the effect of applying to a particular commodity conditions relating to production, movement or consumption which, in the opinion of any signatory, are prejudicial to its interest, such signatory may appeal to the Assembly".

Note

The Federation will propose an amendment to the new Article XX, put forward by the United Kingdom in document L/388/Add.1, whereby the beginning of paragraph 1 of the Article would read:

"If under Article IV or Article VI of this Agreement ..."

This amendment has a connexion with the amendment to Article IV:5 proposed above.
