GENERAL AGREEMENT ON TARIFFS AND TRADE
Contracting Parties
Third Session

Provisional Agenda
ADDENDUM

The following additional subject for the agenda of the Third Session has been proposed by the Government of Australia: "Replacement of existing Schedule I to the General Agreement by the revised schedule containing rates and values adjusted to conform with alterations effected in the Australian value for duty basis subsequent to the Geneva negotiations."

The cable received from Australia explains that copies of the proposed revised schedule with explanatory notes are in course of preparation but are not likely to be available for circulation before the opening of the Session.
