GENERAL AGREEMENT ON TARIFFS AND TRADE

Contracting Parties

Third Session

NON-DISCRIMINATORY MEASURES NOTIFIED BY CON-
TRACTING PARTIES UNDER PARAGRAPH 6 ⁽¹¹⁾ OF
ARTICLE XVIII OF THE GENERAL AGREEMENT

Note by the Executive Secretary

(1) Annex E of GATT/CP.2/38/Rev.1 lays down a procedure for dealing with the maintenance of non-discriminatory measures notified to the Contracting Parties under Article XVIII. The Contracting Parties whose measures were listed in Annex B to that document were invited to submit supplementary statements in support of their measures not later than November 15, 1948. Communications received from Contracting Parties in response to this invitation have been distributed in GATT/CP.3/1 and Add.1 and Add.2.

(2) The procedure provided in Annex E requires Contracting Parties whose interests are materially affected and which wish to object to any of the measures to lodge their objections not later than February 28, 1949, and to give evidence to show that they are materially affected by the measure.

(3) Accordingly, the Contracting Parties are reminded that if they wish to lodge objections to any of the measures listed in Annex B of GATT/CP.2/38/Rev.1 they should do so by the end of this month. Objections received by that date will be distributed so that consideration may be given to them at the Third Session in April.
