PROPOSED REPLACEMENT OF SCHEDULE I

ADDENDUM

(Statement by Australian Delegation)

It is desired to effect the following amendments in the middle section of the photostat copy of the proposed revised Schedule -

Page 24 Amend the note under Item 287(B) to read -

"NOTE. The products provided for under Item 287 B shall be exempt from ordinary most-favoured-nation customs duties which exceed the preferential duties on such products by more than 5 per cent. ad valorem"

This variant in the note to be included in Schedule 1 results from the listing in a separate item (Item 287 B) of the products originally negotiated and originally expressed as ex Item 287.

Page 16 Retain the original wording of Item but change the number from ex 178 (E) to ex 178 (J). In the revised schedule the item would appear as -

"ex 178(j) Internal Combustion Engines of the type ordinarily used in Motor Vehicles (other than Motor Cycles) and parts, n.e.i., therefor ad val. 45%"

The reversion to the wording as shown in the left hand column on page 16 arises from the U.S.A. preference for those words.
