CONTRACTING PARTIES

Third Session

Objection to Non-discriminatory Measures notified
by Contracting Parties under paragraph 11 of
Article XVIII.

Note by the Executive Secretary.

The CONTRACTING PARTIES, in adopting the Second Report of Working Party 2, GATT/CP.3/29, at its 17th meeting on 23 May 1949, decided that contracting parties which considered their interests to be materially affected by any measures still under consideration by that Working Party, should submit their objections in writing in the terms of paragraph 8 (b) of Article XVIII not later than 28 May 1949.

With the exception of the objection submitted by the Government of Belgium in respect of the measures notified by the United Kingdom on behalf of Northern Rhodesia and circulated in document GATT/CP.3/5/Add.2, no objections to the existing measures under consideration were submitted.
