CONTRACTING PARTIES
Fourth Session

DRAFT REPORT OF WORKING PARTY G ON THE
AUSTRALIAN SUBSIDY ON AMMONIUM SULPHATE

CORRIGENDUM

Page 1

point 1, paragraph 2, line 4, read "nullified" for
"modified".

Page 2

point 6, paragraph 2, line 9, delete the bracket after
"arrangement" and insert it after "ammonia".

Page 4

point 12, line 5, after "agreed" insert "that"
line 18, after "Article XXIII" insert
"the Working Party was of the opinion that .."

Page 5

point 14, line 10, read "would" for "could".

point 16 : the recommendation should read as follows :

"7 The Contracting Parties recommend that the Australian government consider, with due regard to its policy of stabilizing the cost of production of certain crops, means to remove any competitive inequality between the two products which may in practice exist as a result of the removal of nitrate of soda from the operations of the subsidized pool of nitrogenous fertilizers, and communicate the results of their consideration to the Chilean Government, and that the two parties report the position to the Contracting Parties at the next session.7 "
