REPORT OF WORKING PARTY "C" ON THE BUDGET

Addendum to Paragraph 28

The Working Party also recommends that the contributions be assessed in U.S. dollars but that the Contracting Parties would have the option of paying their contributions in Swiss francs at the prevailing rate of exchange. These contributions would be remitted direct to the Executive Secretary of the ICITO for the account of the Contracting Parties.

ADDENDUM AU PARAGRAPHE 28 DU DOCUMENT RELATIF AU  
BUDGET

Le Groupe de travail recommande également que les contributions soient fixées en dollars des Etats-Unis, mais que les parties contractantes aient la latitude de payer leur contribution en francs suisses au cours du change du moment. Ces contributions seraient versées directement au Secrétaire exécutif de l'ICITO pour le compte des Parties Contractantes.
