The figures for these headings correspond to the specifications of the Chilean National Tariff, within which are included the products negotiated under the Protocol. In other words, the figures indicated may cover other goods within the tariff headings concerned, but do not correspond to the specific products negotiated under the Protocol.

For 1976, items with respect to which only the value for the period June-December 1976 has been indicated because the necessary breakdown was not available for data covering January-May of that year.

... negligible imports.
