Supreme Decree No. 053-68-HC

THE PRESIDENT OF THE REPUBLIC

CONSIDERING:

That in order to strengthen the country's balance of international payments measures are necessary to prevent the utilization of foreign currency for any purpose not essential for national economic development;

Acting under the powers conferred on the Executive by article 8 of Law 10905, article 14 of Law 6565 and article 3 of Law 11052, and in conformity with the authority deriving from article 164, paragraph 8 of the Constitution;

Acting with the approval of the Council of Ministers;

HEREBY DECREES AS FOLLOWS:

PROHIBITION OF IMPORTS

Article 1 - Imports of articles listed in the annex hereto, which forms an integral part of this Decree and shall be countersigned by the Minister of Finance and Trade, shall be prohibited for a period of three months as from this day.

Article 2 - The prohibition provided for in the preceding article shall apply to all goods listed in the annex hereto where the date of the consular visa on the relevant invoice is later than 6 March with respect to imports transported by sea, and later than 4 March of this year with respect to imports transported by air, post or land.

Article 3 - The National Customs Administration and, where appropriate, the Postal and Telecommunication Administration shall verify the dates of consular visas. In the event of any infringement of the preceding articles or any false declaration regarding the dates indicated, the goods shall be confiscated, without prejudice to the other sanctions provided for in Law 16185 and Supreme Decree 408-H of 2 December 1966 establishing implementing regulations for that Law.

Article 4 - During the period of prohibition, consular officials posted to other countries shall not process under their own responsibility any invoices in respect of goods the import of which is temporarily prohibited pursuant to this Decree.

INSTALMENT SALES

Article 5 - For registration in the Register of Instalment Sales of transactions providing for the purchase and sale of identifiable movables against payment on an instalment basis, the request for such registration must contain all appropriate data for identification of the object concerned (trademark, model, serial number, etc.) together with an indication of the number and amount of the instalments and the date of the last payment. Furthermore, such registration shall be null and void unless all instalments in respect of the transaction agreed upon are of an equal amount.

Moreover, the vendors shall present documents showing proof of ownership or of entitlement, together with a copy of the contract of purchase or sales, duly signed by the parties thereto, where appropriate.

Article 6 - The Register of Instalment Sales shall not record contracts for the purchase or sale of movables, under the provisions of Law No. 6565, where the period for the full settlement of the price is in excess of fifteen months. Registration shall automatically lapse after fifteen months.

Article 7 - Contracts under which the initial instalment paid in cash upon conclusion of the purchase or sale transaction is less than 30 per cent of the total price shall not be eligible for recording in the Register of Instalment Sales.

Article 8 - Any contract for the purchase or sale of movables, providing for payment in instalments, which is eligible for recording in the Register of Instalment Sales must specify the cash price of the object concerned and, separately, the amount of annual interest charged which may not exceed 14 per cent of the principal and shall be applicable to the balance outstanding after deduction from the cash price of the amount of the initial instalment, in accordance with Law No. 15906.

Article 9 - If the interest rates specified in contracts are not in conformity with the preceding article and exceed the permitted limit, the Registrar of Instalment Sales may, upon request by the purchaser and having heard the vendor, amend the amount thereof as appropriate.

Article 10 - Any registration of motor vehicles shall be notified by the Registrar of Instalment Sales to the Transport Administration or the appropriate offices, so that a reservation of property may be recorded in their files with respect to the movable sold on an instalment basis until such time as the final instalment has been paid, when due notification thereof shall likewise be made so that the reservation may be cancelled.

Article 11 - The Trade Administration shall review every two years the storage tariffs of the central auction service of the Instalment Sales Register for which it shall be responsible, and shall propose any amendments that may be necessary. Such amendments shall be subject to approval by a Ministerial decision.

Article 12 - The scale of fees for the Register of Instalment Sales shall be as follows:

- (a) For registering transactions of a value of not more than S/. 500,000, 1 per cent of the declared value;
- (b) for any amount in excess of S/. 500,000, $\frac{1}{2}$ per cent on such excess amount;

- (e) for each certification concerning movables registered and awaiting full settlement, S/. 200;
- (f) for each declaration that has to be notified outside the urban area of the place in which the Register is situated, S/. 50.

Article 13 - Article 22 of the Supreme Decree of 26 June 1929, establishing implementing regulations for Law No. 6565, is hereby amended as follows: notifications shall be made through public clerks appointed by the Government to the Instalment Sales Register offices; two additional public clerks may be appointed to each office, according to the amount of business conducted there and following a proposal by the Registrar concerned.

Article 14 - In auction sales ordered by the Registrar of Instalment Sales, auctioneers shall comply strictly with the provisions of the Supreme Decree of 26 June 1929 and with the regulations for auction sales approved by the Supreme Resolution of 28 May 1914.

Article 15 - If, where the object of an instalment transaction is not yet fully paid for, the purchaser changes his place of domicile and takes with him such object without so notifying the Registrar or the vendor, or if he disposes of such object without the vendor's consent, the Registrar, upon request from the parties concerned, shall inform the competent authority so that the necessary investigation may be made.

OBLIGATIONS OF THE PUBLIC SECTOR IN FOREIGN EXCHANGE

Article 16 - As from the date of this Decree it shall be prohibited for bodies constituting the national public sector to enter into any new credit agreements involving obligations in foreign currency over a period of less than twelve years.

Article 18 - Any official travel, paid for out of public funds, by government officials whether individually or in delegations or missions of any kind shall be subject to approval by the Council for External Transactions by the Public Sector established under Supreme Decree No. 38-H of 9 February 1968. For this purpose, before travel commences, the State agencies concerned must request approval from the Council for the foreign exchange expenditure that will be incurred.

Any transactions of this kind that have already been entered into shall be reported to the Banking Administration within five days from the date of this Decree and must be settled within thirty days thereafter.

The Banking Department shall be responsible for strict compliance with this provision.
