Export Interest to Less-Developed Countries

## SURVEY OF TRADE FLOWS AND TRADE MEASURES IN RESPECT OF PRODUCTS OF EXPORT INTEREST TO LESS-DEVELOPED COUNTRIES

### Addendum

At the last meeting of the Committee on Trade and Development it was suggested that it would be useful if the secretariat would prepare a list indicating the countries which had notified their export interest in respect of the tariff items taken up in document COM.TD/A/W/3. The list below - an excerpt from COM.TD/A/W/3 - shows the countries which notified the items, or sub-items concerned as being of export interest to them, whether in the context of the work of ~~Committee III~~ Committee III (see COM.III/124/Rev.1 and Add.1) or of the Kennedy Round negotiations (document series TN.64/LDC/...) or in the course of discussions in the Ad Hoc Group on the Examination of Products of Export Interest to Less-Developed Countries.

A list of the country name abbreviations is also annexed.
