ARRANGEMENT REGARDING INTERNATIONAL TRADE IN TEXTILES

Notifications Under Article 2, Paragraph 1

Attached is a notification received by the TSB from POLAND in accordance with paragraph 1 of Article 2 of the Textiles Arrangement. As required by the provisions of this paragraph the TSB is circulating this notification to participating countries in the Arrangement for their information. A summary tabulation of this notification prepared by the secretariat is also attached.

It is to be noted that the TSB, in the light of paragraph 11 of COM.TEX/2, is continuing to examine the notifications received in order to ensure the completeness and adequacy of the information, and is requesting the supply of additional information wherever necessary. Any additional information thus received will also be circulated.

It is, of course, open to any party to the Arrangement to request the TSB or the secretariat to seek any further information or clarification they may wish to have from the parties concerned, or to supply any additional information of relevance. Such information will also be circulated.

The Permanent Delegation of Poland to the Office of the United Nations at Geneva presents its compliments to the Textiles Surveillance Body and, in accordance with the provisions of Article 2 of the Arrangement Regarding International Trade in Textiles, has the honour to submit the annexed list of quotas for imports of textiles into Poland in the bilateral agreements concluded by Poland.

In so doing the Permanent Delegation of Poland wishes to stress the fact that those quotas are only indicative, are not obligatory and do not have restrictive effects. In some cases they have been introduced into the bilateral agreements at the desire of our partners.

The Permanent Delegation of Poland to the Office of the United Nations at Geneva takes this opportunity of renewing to the Textiles Surveillance Body the assurance of its highest regard.

Geneva, 17 June 1974.
