I have also the honor to refer to discussions between representatives of our two governments concerning trade in man-made fiber textiles and textile products, and the adaptation of the Agreement to the new system of classification of textile products in effect in the United States held in Brasilia, February 20-23, 1978. As a result of these discussions, I have the honor to propose, on behalf of the Government of the United States of America, that the Agreement be amended, effective April 1, 1978, as follows:

1. In paragraph 2 of the Agreement, the phrase "Categories 200 through 243" is deleted and is replaced by the phrase "Categories 600 through 669".
