ARRANGEMENT REGARDING INTERNATIONAL TRADE IN TEXTILES

Article 3 Notification

Agreement between Austria and Hong Kong

The Textiles Surveillance Body has received from Austria a notification of an agreement concluded with Hong Kong under Article 3 of the Arrangement. Also attached is a copy of the memorandum of understanding on a system of export authorization to cover certain textile products exported by Hong Kong to Austria.

The TSB has examined the relevant documentation and has found that this agreement is in conformity with the provisions of the article under which it is notified, as well as with the other provisions of the Arrangement. The TSB is circulating this notification to participating countries for their information.

MEMORANDUM OF UNDERSTANDING

Introduction

1. This Memorandum of Understanding sets out the arrangements that have been agreed between Hong Kong and Austria regarding Hong Kong's exports of certain textile products to Austria.

2. These arrangements have been made under the Arrangement Regarding International Trade in Textiles and in particular under Article 3 thereof.

Coverage

3. These arrangements shall apply to Hong Kong's exports to Austria of the textile products set out in the Annex to this Memorandum.

Restraint Period

4. These arrangements shall apply for the period 1 February 1979 to 31 January 1980.

5. Hong Kong shall restrict exports of the products set out in the Annex to the limits set out in column (e) for the period set out in paragraph 4 above, save as provided for in paragraphs 8 to 10 below.

6. For the purposes of these arrangements, Austria shall admit imports of the textile products of Hong Kong origin set out in the Annex only where such imports are covered by export licences issued by the Hong Kong Trade Industry and Customs Department on and after 1 February 1979 and endorsed to the effect that the consignments concerned have been debited to the agreed limits.

7. Furthermore, Austria shall admit imports of the textile products of Hong Kong origin set out in the Annex where such imports are covered by export licences issued by the Hong Kong Trade Industry and Customs Department on or before 31 January 1979 under the terms of the Memorandum of Understanding between Hong Kong and Austria signed in Vienna on 30 January 1978 and in Hong Kong on 17 February 1978.

Swing

8. Either of the limits in column (e) of the Annex may be increased during the restraint period by up to 6 per cent provided that a corresponding reduction is applied to the other limit.

9. For the purposes of calculating such corresponding reductions, the conversion factors listed in column (f) of the Annex shall apply.

Carryover and Carry forward

10. Should these arrangements be continued for a further period, the carryover and carry forward provisions set out in Annex B of the Arrangement Regarding International Trade in Textiles shall apply.

Re-export

11. Austria will, as far as possible, inform Hong Kong when imports into Austria of the textile products set out in the Annex that have been debited to the agreed limits are subsequently re-exported from Austria. Hong Kong may then credit the quantities involved to the appropriate limits.

Exchange of Statistics

12. Hong Kong will provide Austria with half-monthly statistics of the textile products set out in the Annex licensed for export to Austria and debited to the limits set out in column (e) of the Annex.

13. Austria will provide Hong Kong with quarterly statistics of total imports and of imports from Hong Kong and from other significant suppliers of each of the textile products set out in the Annex.

Consultations

14. Austria and Hong Kong agree to consult, at the request of either party, on any matter arising from the implementation of these arrangements.

15. If Hong Kong considers that, as a result of the restraint imposed by these arrangements, Hong Kong is being placed in an inequitable position vis-a-vis a third country, Hong Kong may request Austria to consult with a view to remedial action such as a reasonable modification of these arrangements.

MEMORANDUM OF UNDERSTANDING

1. Having examined the current pattern and development of trade in certain textile products exported from Hong Kong to Austria, Austria and Hong Kong agree that an export authorisation system involving the following arrangements shall be introduced for the period 1st February 1979 to 31st January 1980 in respect of the products listed in the Annex to this Memorandum.

2. Hong Kong shall require all exports to Austria of the products listed in the Annex to be covered by export authorisations issued by the Hong Kong Trade Industry and Customs Department. An export authorisation shall be issued only on evidence of a firm contract for the supply of the goods involved and shall be valid for up to 6 months from the date of issue.

3. Export licences to ship goods covered by an export authorisation will be issued by Hong Kong on presentation of the relevant export authorisation within the latter's validity period. An export licence shall be valid for 28 days from the date of issue. Hong Kong shall not issue export licences in respect of exports to Austria of products listed in the Annex which are not covered by a valid export authorisation.

4. Hong Kong shall provide Austria with half-monthly statistical returns showing the quantities covered by export authorisations issued to Hong Kong exporters in respect of the products listed in the Annex. Hong Kong agrees to notify Austria immediately upon receipt of any applications for export authorisations in exceptionally large amounts in a particular product.

5. Austria shall admit imports of the textile products of Hong Kong origin listed in the Annex where such imports are accompanied by a copy of an export licence issued by the Hong Kong Trade Industry and Customs Department.

6. Austria may request Hong Kong to suspend the issue of export authorisations if, in the opinion of Austria, the Austrian market is being disrupted in terms of the definition of market disruption in Annex A of the Arrangement Regarding International Trade in Textiles, by imports from Hong Kong of any of the products covered by these arrangements. Such a request shall be accompanied by a request for consultations under Article 3 of the Arrangement

Regarding International Trade in Textiles and by a detailed factual statement of the reasons and justification for the request for consultations, including the latest data concerning elements of market disruption.

7. Upon receipt of such a request for suspension and for consultations, Hong Kong shall suspend immediately the issue of export authorisations in respect of the relevant product. Hong Kong may, however, continue to issue export licences against valid export authorisations issued before such a suspension.

8. Where the issue of export authorisations is suspended, Hong Kong may extend the validity of an existing export authorisation for a period not exceeding 90 days, if it is satisfied that the failure to apply for an export licence within the validity period of the export authorisation has been caused by circumstances beyond the control of the person to whom the export authorisation was issued.

9. Hong Kong and Austria agree to consult, at the request of either party, on any matter arising from the implementation of these arrangements.

10. The Annex to this Memorandum shall be an integral part of it.
