ARRANGEMENT REGARDING INTERNATIONAL TRADE IN TEXTILES

Reports on the Status of Restrictive Measures as requested
by the TSB in accordance with Article 11

EUROPEAN COMMUNITY

Attached is a report received by the TSB on the present status of restrictions on trade in textiles maintained by the European Community. This report was submitted in reply to the TSB's request for information in pursuance of Article 11 of the Arrangement, and in particular paragraphs 11, 12 and 2 thereof.

Brussels..... 2 July 1980 .

Dear Mr Ambassador,

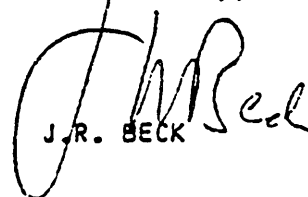

I refer to your letter of 18th April and have the honour to enclose, in accordance with Article 11, Paragraphs 11, 12 and 2, detailed information on quantitative restrictions maintained or introduced by the Community in the textiles sector covered by the Arrangement.

The information is set out in tabular-form as requested.

The data cover the period of the extended MFA except that in the case of restraints on State Trading Countries the details are set out for 1979 and 1980 only, it being understood that in almost all cases comparable restrictions were in place during 1978 under different categories applicable before the Community's categorisation system was unified for all Member States.

Information on quotas agreed in bilateral agreements notified to the TSB is not included in the tables.

Yours sincerely,

J.R. BECK
