Mr. M. Raffaelli  
Chairman of the Textiles  
Surveillance Body  
GATT

Geneva

Dear Mr. Raffaelli,

With reference to your letter No. TS/140-1, dated 23rd July, 1982 and to documents COM.TEX/SB/605/Add.8 and COM.TEX/SB/733/Add.10, I have the honour to inform you that, concerning bilateral quotas existing in Hungary in the textile sphere, the present situation is the following:

As far as Norway is concerned, there is no change. Bilateral quotas in textile imports are based upon the annual protocols of long-term bilateral trade agreements. There were no Hungarian imports in textiles from Norway in 1981. The nature of these quotas is the same as stated in document COM.TEX/SB/733/Add.10, i.e., the quotas are of indicative and not of restrictive character, thus they are not inconsistent with the MFA.

The long-term trade agreement between Hungary and Sweden of 5th December, 1973 had expired and the new agreement which came into effect on 23rd February, 1982, contains no quotas (see document L/5318).

You are requested to kindly circulate the above information.

Sincerely yours,

(signed) Ferenc Furulyás  
Resident Representative  
of Hungary to the GATT
