Agreed Minute

1. Delegations of the Kingdom of Thailand and of the European Economic Community met on 3 September 1982 in Brussels for consultations in accordance with Article 6 of the Agreement on Trade in Textiles between Thailand and the Community signed on 21 July, 1979.
2. As a result of the consultations, Thailand agreed to limit its exports of knitted suits (category 74, Nimese Code 60.05-71; 72; 73; 74) to the Community's region of the United Kingdom to the level of 36,400 pieces during the period from 1 September to 31 December 1982.
3. This limit will in no way prejudice the quantity to be agreed for the years 1983 to 1986.  
  
Both parties will meet again in the first half of December 1982 with a view to reaching agreement on such a quantitative limit for Thai exports of Category 74 to the Community region of the United Kingdom.
4. It is the understanding of both parties that the Provisions of the Agreement which concern exports of products subject to quantitative limits established in Annex II of the Bilateral Agreement, in particular the licensing procedures set out in Protocol A, shall apply to exports of the above-mentioned products to the Community's region of the United Kingdom from the 6 September 1982.
