PROTOCOL A

TITLE I

#### CLISSIFICATION

Article: I.

- L. The competent authorities of the Community undertake to inform: of any changes in the Common Customs Tariff or MINELE before the date: of their entry into effect in the Community.
- 2. The competent authorities of the Community undertake to inform of any decisions relating to the classification of products subject to the present Agreement within one month of their adoption at the latest. Such communication shall include :
  - s) a description of the products concerned
  - b) the relevant category, tariff position or sub-position and the Miners code
  - c) the reasons which have led to the decision.
- 3. Where a decision on classification results in a change of classification practice or a change of category of any product subject to the present Agreement, the competent authorities of the Community shall provide 15 days' notice, from the date of the Community's communication, before the decision enters into effect. Products shipped before the date of entry into effect of the decision shall remain subject to the earlier classification practice, provided that the goods in question are presented for importation into the Community within 60 days of that date.

#### TITLE II

#### ORIGIN

Article 2

- 1. Products originating in Uruguay for export to the Community in accordance with the arrangements established by this Agreement shall be accompanied by a certificate of Uruguay origin conforming to the model annexed to this Protocol.
- 2. The certificate of origin shall be issued by the competent governmental authorities of Uruguay if the products in question can be considered products originating in that country within the meaning of the relevant rules in force in the Community.
- 3. However, the products in Group III may be imported into the Community in accordance with the arrangements established by this Agreement on production of a declaration by the exporter on the invoice or other commercial document relating to the products to the effect that the products in question originate in Uruguay within the meaning of the relevant rules in force in the Community.
- 4. The certificate of origin referred to in paragraph 1 shall not be required for import of goods covered by a certificate of origin Form A or form APR completed in accordance with the relevant Community rules in order to qualify for generalized tariff preferences.

#### Article 3

The certificate of origin shall be issued only on application having been mede in writing by the exporter or, under the exporter's responsibility, by his authorized representative. The competent governmental authorities of Uruguay shall ensure that the certificate of origin is properly completed and for this purpose they shall call for any necessary documentary evidence or carry out any check which they consider appropriate. Article 4

Where different criteria for determining origin are laid down for products falling within the same Category, certificates or declarations of origin shall contain a sufficiently detailed description of the goods to enable the criterion to be determined on the basis of which the certificate was issued or the declaration drawn up.

#### Article 5

The discovery of slight discrepancies between the statements made in the certificate of origin and those made in the documents produced to the customs office for the purpose of carrying out the formalities for importing the product shall not ipso facto cast doubt upon the statements in the certificate.

## TITLE III

DOUBLE CHECKING SYSTEM FOR CATEGORIES OF PRODUCTS WITH QUANTITATIVE LIMITS

#### Section I

#### Expertation

Article 6

The competent authorities of Uruguay shall issue an exportlicence in respect of all consignments from Uruguay of textile products referred to in Annex II, up to the relevant quantitative limits as may be modified by Articles 7, 14 and 15 of the Agreement and of textile products subject to any definitive or provisional quantitative limits establishedas a result of the application of Articles 8 and 9 of the Agreement. Article 7

- The export licence Uruguay shall conform to the model annexed to this Protocol. It must certify inter alia that the quantity of the product in question has been set off against the quantitative limit presecribed for the category of the product in question.
- 2. Each export licence Uruguay shall only cover one of the categories of products listed in Annex II of this Agreement. it may be used for one or more consignments of the products in question.

#### Article 8

The competent Community authorities must be notified forthwith of the withdrawal or alteration of any export licence already issued.

#### Article q

- Lo Experts shall be set off against the quantitative limits established for the year in which shipment of the goods has been effected, even if the expert certificate is issued after such shipment.
- 2. For the Uruguay purposes of applying paragraph 1, shipment of the goods is considered to have taken place on the date of their loading on to the exporting aircraft, vehicle or vessel. <u>Article 10</u>

The presentation of an export licence, in application of Article 12 below, chall be effected not later than 31 March of the year following that in which the goods covered by the licence have been shipped.

#### Section II.

#### Importation

#### Article 11

Importation into the Community of textile products, subject to quantitative limits: shall be subject to the presentation of an import authorization of documents.

## Article 12

In The competent: Community authorities shall issue such import authorization or document automatically within five working days of the presentation by the importer of the original of the corresponding expert licence.

The import authorization or document shall be valid for six months.

2. The competent Community authorities shall cancel the already issued import authorization or document if the corresponding export licence has been withdrawn.

However, if the competent formunity authorities have not been notified about the withdrawal or cancellation of the export licence until after the product have been imported into the Community, the quantities involved shall be set oil against the quantitative limit for the category and the quota year in question.

#### Article 13

- 1. If the competent Community authorities find that the total quantities covered by export certificates issued by Uruguay for a particular category in any Agreement year exceed the quantitative limit established in Annex II for that category, as may be modified by Article 7, 14 and 15 of the Agreement, or any definitive or provisional limit established under Article 8 or 9 of the Agreement, the said authorities may suspend the further issue of import authorisations or documents. In this event, the compotent Community enthorities shall immediately inform the authorities of Uruguay and the special consultation procedure set out in Article 17 of the Agreement shall be initiated forthwith.
- 2 Exports: of uruguayan origin not covered by uruguayan export licences. issued in accordance with the provisions of this Protocol may be refused the issue of import authorizations or documents by the competent Community authorities.

However, if the import of such products are allowed into the Community by the completent Community authorities, the quantities involved shall not be set off against the appropriate quantitative limits set out in Annex II or catablished as a result of the application of Articles 8 or 9 of the Agreement, without the appress Agreement of Uruguay save as provided for in Article 12 of the Agreement.

#### TITLE IV

## FORM AND FRODUCTION OF EXPORT CERTIFICATES AND CERTIFICATES OF ORIGIN, AND COMMON PROVISIONS

#### Ardele la

- the numbering system shall also indicate the country of destination (in box 7 of the export licence), country of exportation and issuing office.

## Article 35

The expert licence and certificate of origin may be issued after the shipment of the products to which they relate. In such cases they shall bear either the endormement "delivrée a posteriori" or the endorsement "issued retrospectively".

## Article 16

- Lo In the event of theft, loss or destruction of an export licence or a certificate of origin, the exporter may apply to the competent governmental. authority which issued the document for a duplicate to be made out on the basis of the export documents. In his possession. The duplicate of any such certificate or licence so issued shall bear the endorsement "duplicate".
- 2. The duplicate must bear the date of the original export licence or, contificate of origin.

#### TITLE V

#### STREET COLUMN

#### Article 17

The Community and Uruguay shall cooperate closely to implement the provisions of this Agreement. To this end, contacts and exchanges of views (including on technical matters) shall be facilitated by both parties.

#### Article 18

In order to ensure the proper application of this Agreement, the Community and shall assist each other in checking the authenticity and accuracy of export licences and certificates of origin issued or declaration made under this Protocol.

#### Article 19

Uruguay shall send the Commission of the European Communities the names and addresses of the governmental authorities competent for the issue and verification of export licences and certificates of origin together with specimens of the stamps used by these authorities. Uruguay shall also notify the Commission of any change in this information.

#### Article 20

- L. Subsequent verification of certificates of origin or export licences shall be carried out at random, or whenever the competent Community authorities have reasonable doubt as to the authenticity of the certificate or licence or as to the accuracy of the information regarding the products in question.
- In such cases the competent authorities in the Community shall return the certificate of origin or export licence or a copy thereof to the competent governzontal authority in Uruguay giving, where appropriate, the reasons of form or substance for an enquiry. If the invoice has been submitted, such invoice or a copy thereof shall be attached to the certificate or licence or its copy. The

authorities shall also forward any information that has been obtained suggesting that the particulars given on the said certificate or licence are inaccurate.

- 3. The provisions of paragraph I above shall be applicable to subsequent verifications of the declarations of origin referred to in Article 2 of this Protocol.
- 5. The results of the subsequent verifications carried out in accordance with paragraphs 1 and 2 above shall be communicated to the competent authorities of the Community within three months at the latest. The information communicated shall indicate whether the disputed certificate or licence or declaration applies to the goods actually exported and whether these goods are eligible for export in accordance with the arrangements established by this Agreement. The information shall also include, at the request of the Community, copies of all documentation necessary to determine the facts fully and in particular the true origin of the goods.

Should such verifications reveal systematic irregularities in the use of declarations of origin, the Community may subject imports of the products in question to the provisions of Article 2 paragraph 1 of this Protocol.

- 5. For the purpose of subsequent verification of certificates of origin, copies of the certificates as well as any export documents referring to them shall be kept for at least period of three years by the competent governmental authority in Uruguay
- 6. Recourse to the random verification procedure specified in this Article must not constitute an obstacle to the release for home use of the products in question.

#### Apeicle 21

- 1. Where Uruguay the verification procedure referred to in Article 20 or where information available to the Community or to Uruguay indicates or appears to indicate that the provisions of this Agreement are being contravened, both parties shall cooperate closely and with the appropriate urgency to prevent such contravention.
- 2. To this end, Uruguay shall, on its own initiative or at the request of the Community, carry out appropriate enquiries or arrange for such enquiries to be carried out concerning operations which are or appear to the Community to be in contravention of this Agreement. Urugay shall communicate the results of these enquiries to the Community together with any other pertinent information enabling the true origin of the goods to be determined.

- 3. By agreement between the Community and Uruguay officials designated by the Community may be present at the enquiries referred to in paragraph 2.
- 4. In pursuance of the cooperation referred to in paragraph 1, Uruguay and the Community shall exchange any information considered by either partner to be of use in preventing the contravention of the provisions of this Agreement. Such information may include information on trade in products subject to this Agreement between Uruguay and other countries and information on production of such products in
- 5. Where it is established that the provisions of this Agreement have been contravened, Uruguay and the Community may agree to take such measures as are necessary to prevent a recurrence of such contravention.

#### NOTE VERBALZ

The Directorate-General for External Relations of the Commission of the European Communities presents its compliments to the Mission of the Eastern Republic of Uruguay to the European Communities and has the honour to refer to the Agreement on trade in textile products between Uruguay and the Community initialled on 2 July 1982.

In response to the Mission's recent oral request the Directoratz-General has the honour to confirm that the Community can agree to replace the figure of 1 % specified in Article 9, pars 5 of the Agreement by a figure of 2.5 % and to replace the words. '15 days' in Title I, Article 1, pars 3 of Protocol A by '30 days'.

The Directorate-General is further able to confirm that the Community can agree to the following changes in the wording of Article 9, para 1, as proposed by the Mission:

- insert in the first sentence after 'it may request' the words: "with a view to avoiding palpable damage to domestic industry."
- insert in the last sentence after 'quantifiable compensation' the words:

"which constitutes a sutually acceptable solution.".

The Directorate-General also confirms the Community's agreement to the incorporation of the above changes in the final version of the Agreement to be signed.

The Directorate-General for External Relations of the Commission of the European Communities avails itself of this opportunity to renew to the Mission of the Eastern Republic of Uruguay to the European Communities the assurance of its highest consideration.
