THE UNITED STATES AND  
THE REPUBLIC OF THE PHILIPPINES  
SIGN NEW BILATERAL TEXTILE AGREEMENT

The United States and the Republic of the Philippines exchanged notes dated November 24, 1982 to establish a new bilateral textile agreement relating to trade in cotton, wool and man-made fiber textiles and textile products. The texts of the notes follow:

UNITED STATES NOTE

November 24, 1982

His Excellency  
Benjamin T. Romualdez  
Ambassador of the Philippines

Excellency:

I have the honor to refer to the Arrangement Regarding International Trade in Textiles, with Annexes, done at Geneva on December 20, 1973, and extended by the Protocols adopted on December 14, 1977 and December 22, 1981 at Geneva (hereinafter referred to as the Arrangement).

I have also the honor to refer to discussions between representatives of the Government of the United States of America and the Government of the Republic of the Philippines held in Manila from August 18 to August 20, 1982 and in Washington from October 18 to October 23, 1982 concerning exports to the United States of America of cotton, wool and man-made fiber textiles and textile products manufactured in the Republic of the Philippines. As a result of those discussions, and in conformity with Article 4 of the Arrangement, I have the honor to propose the following Agreement relating to trade in cotton, wool and man-made fiber textiles and textile products between the Government of the United States of America and the Government of the Republic of the Philippines.

1. The term of this Agreement shall be the four-year period from January 1, 1983 through December 31, 1986. Each "Agreement Year" shall be the twelve month period from January 1 to December 31 with the first Agreement Year commencing on January 1, 1983 and ending on December 31, 1983.

2. The coverage of this Agreement shall be all textiles and textile products of cotton, wool and man-made fibers. The determination of whether a textile or textile product is of cotton, wool or man-made fiber shall be made in accordance with the terms of paragraph 9.

3. (A) Commencing with the first agreement year, and during each succeeding agreement year, the Government of the Republic of the Philippines shall limit annual exports from the Republic of the Philippines to the United States of America of cotton, wool, and man-made fiber textiles and textile products manufactured in the Republic of the Philippines to the aggregate limits, and to the category specific limits and sub-limits set out in Annex B, as such limits may be adjusted in accordance with paragraphs 7 (swing) and 8 (carryover/carryforward). The limits set out in Annex B do not contain any adjustments permitted under paragraphs 7 and 8.

(B) With respect to Category 645/646, 15,000 dozen shall be charged against the specific limit for that category in the amount of 5,000 dozen for each of the 1983, 1984 and 1985 Agreement Years. These charges result from overshipments of the 1978 specific limit for category 645/646.

4. Categories not given Specific Limits are subject to Consultation Levels set out in Annex C and to the Aggregate Limits. In the event the Government of the Republic of the Philippines wishes to permit exports to the United States of America in any category in excess of the applicable Consultation Level during any Agreement Year, the Government of the Republic of the Philippines shall request consultations with the Government of the United States of America on this question and the Government of the United States of America shall enter promptly into such consultations. Until agreement on a different level of exports is reached, the Government of the Republic of the Philippines shall limit exports to the United States of America in the Category in question to the Consultation Level.

5. (A) The system of categories and the rates of conversion into square yards equivalent listed in Annex A shall apply in implementing this agreement except as set out in subparagraphs 5 (B) and 5 (C) of this agreement.

(B) For purposes of this agreement, traditional items are defined as infants garments up to and including size 6X and classified in categories 335, 336, 337, 341, 348, 352, 359, 635, 636, 637, 641, 642, 646, 648, 652, and 659. A factor of 1.74 pounds equals one dozen shall be used to convert pounds to dozens for traditional items in categories 359 and 659.

(C) For purposes of this agreement, and in recognition of the patterns of trade of the Republic of the Philippines with the United States of America, the pairs of categories below are merged and treated as single categories with specific limits for the merged categories as set out in Annex B:

CATEGORIES MERGED	DESIGNATION IN AGREEMENT
333, 334	333/334
338, 339	338/339
638, 639	638/639
645, 646	645/646
445, 446	445/446

For purposes of computing charges to the aggregate limits, the rates of conversion for the individual categories set out in Annex A shall be applied, except that the rate of conversion for merged category 333/334 shall be 39.5 square yards equivalent (SYE) per dozen and that the rate of conversion for merged category 638/639 shall be 15.5 SYE per dozen.

6. (A) Exports from the Philippines in excess of authorized limits in any Agreement Year may be denied entry into the United States. Any such shipments denied entry may be permitted entry into the United States and charged to the applicable Limit in the succeeding Agreement Year.

(B) Exports from the Philippines in excess of authorized limits in any Agreement Year will, if allowed entry into the United States during that Agreement Year, be charged to the applicable limit in the succeeding Agreement Year.

(C) Any actions taken pursuant to sub-paragraphs 6(A) and 6(B) above, shall not prejudice the rights of either side regarding consultations.

7. (A) Any specific limit may be exceeded in any Agreement Year by not more than the following percentage of its (the receiving category's) square yards equivalent total listed in Annex B, provided that the amount of the increase is compensated for by an equivalent sye decrease in one or more other specific limits for that Agreement Year:

Traditional Categories	7
Wool Categories	5
All Other Categories	6

(B) No limit may be decreased pursuant to subparagraph 7 (a) to a level which is below the level of exports charged against that category limit for that Agreement Year.

(C) When informing the United States of adjustments under the provisions of this paragraph, the Government of the Republic of the Philippines shall indicate the

8. (A) In any Agreement Year, in addition to any adjustment pursuant to paragraph 7, exports may be exceeded by a maximum of 10 percent of the Specific Limit or sub-limit by allocating to such Limit for that Agreement Year an unused portion ("shortfall") of the corresponding Limit for the previous Agreement Year ("Carryover") or a portion of the corresponding Limit for the succeeding Agreement Year ("Carryforward") subject to the conditions set forth in sub-sections (A) and (B) of this paragraph.

(i) Carryover may be utilized as available up to 10 percent of the receiving Agreement Year's applicable limit. Carryover shall be available in each Agreement Year under this Agreement, including the first Agreement Year;

(ii) Carryforward may be utilized up to 5 percent of the receiving Agreement Year's applicable limits. No carryforward shall be available in the 1986 Agreement Year;

(iii) Carryforward used shall be charged against the immediately following Agreement Year's corresponding limits; and

(iv) The combination of carryover and carryforward may not exceed 10 percent of the receiving year's applicable limits in any agreement year.

(B) For purposes of this Agreement, a shortfall occurs when exports of textile or textile products from the Republic of the Philippines to the United States of America during an Agreement Year are below the Aggregate Limit and any applicable Specific Limit as set forth in Annex B (or, in the case of any limit decreased pursuant to paragraph 7, when such exports are below the limit as so decreased). In the Agreement Year following the shortfall, such exports from the Republic of the Philippines to the United States of America may be permitted to exceed the Specific Limits and sub-limits, subject to conditions of sub-paragraph 8 (a) by carryover of shortfalls in the following manner:

(i) Carryover in any limit shall not exceed the amount of shortfall in any applicable Specific Limit or sub-limit.

(ii) In the case of shortfall in a Category subject to a Specific Limit or sub-limit, the shortfall shall be used in the Category in which the shortfall occurred.

(iii) The applicable Specific Limit or sub-limit in which the shortfall occurred shall be decreased by the amount used to exceed the following Year's limit.

(C) The limits referred to in sub-paragraphs (a) and (b) of this paragraph are without any adjustment under this paragraph or paragraph 7. The total adjustment under this paragraph shall be in addition to adjustments to the limits permitted by paragraphs 6 and 7.

9. (A) Tops, yarns, piece goods, made-up articles, garments and other textile manufactured products, all being products which derive their chief characteristics from their textile components, of cotton, wool or man-made fibers, or blends thereof, in which any or all of those fibers represent either the chief value of the fibers or 50 percent or more by weight (or 17 percent or more by weight of wool) of the product, are subject to this agreement.

(B) For the purposes of this agreement, textile products shall be classified as cotton, wool or man-made fiber textiles if wholly or in chief value of any of those fibers. Any products covered by sub-paragraph 4 (A) but not in chief value of cotton, wool or man-made fiber shall be classified as:

(I) Cotton textiles if containing 50 percent more by weight of cotton, or if the cotton component exceeds by weight the wool and/or the man-made fiber component;

-- (II) Wool textiles if not cotton, and wool equals or exceeds 17 percent by weight of all component fibers; and

-- (III) Man-made fiber textiles if neither of the foregoing applies.

-- 10. The Government of the Republic of the Philippines recognizes the right of the Government of the United States of America to use the tariff schedules of the United States annotated to administer the traditional and non-traditional apparel categories found in annex B.

-- 11. Mutually satisfactory administrative arrangements or adjustments may be made to resolve minor problems arising in the implementation of this agreement, including differences in points of procedure or operation.

-- 12. (A) The Government of the United States of America shall promptly supply the Government of the Republic of the Philippines with data on monthly imports of cotton, man-made fiber and wool textiles and textile products into the United States of America from the Republic of the Philippines.

(B) The Government of the Republic of the Philippines shall promptly supply the Government of the United States of America with data on monthly exports of cotton, man-made fiber and wool textiles and textile products from the Republic of the Philippines to the United States of America.

(C) Each Government agrees to supply promptly any other available statistical data necessary to the implementation of this agreement requested by the other Government.

13. The Government of the Republic of the Philippines shall use its best efforts to space exports from the Republic of the Philippines to the United States of America within each category or sub-category evenly throughout each agreement year, taking into consideration normal seasonal factors.

14. If, having regard to the provisions of the Arrangement, the Government of the Republic of the Philippines considers that the Republic of the Philippines is being placed in an inequitable position vis-a-vis a third country, the Government of the Republic of the Philippines may request consultations with the Government of the United States of America with a view to taking appropriate remedial action. The Government of the United States of America shall consult with the Government of the Republic of the Philippines in the event of such a request.

15. For the duration of this agreement, the Government of the United States of America shall not invoke the procedures of Article 3 of the Arrangement to request restraint on the export of cotton, wool and man-made fiber textiles and textile products subject to this Agreement from the Republic of the Philippines to the United States. Each Government reserves its rights under the Arrangement with respect to textiles and textile products not subject to this agreement.

16. (A) In conformity with Article 12, paragraph (3) of the Arrangement, this agreement shall not apply to exports of handloom fabrics of the cottage industry of the Republic of the Philippines, or handmade cottage industry products made of such handloom fabrics in the Republic of the Philippines, or to folklore handicraft textile products traditional to the Republic of the Philippines including those specified in Annex D as "Philippine Items," provided that such products are properly certified under arrangements established between the two Governments pursuant to paragraphs 11 and 18 of this agreement and the above mentioned article of the Arrangement. "Philippine items" are traditional Philippine products, cut, sewn, or otherwise fabricated by hand in cottage units of the cottage industry. Additional items may be subsequently added to this list by mutual agreement.

(B) This agreement shall not apply to handplied or braided and hand tied macrame handicraft articles, not combined with woven or knit material, (except if such material is used for non-essential decorative and ornamental purposes only).

17. Exports of cotton, wool and man-made fiber textiles and textile products in individual shipments valued at less than 250 dollars shall not be charged to the limits of this agreement provided that such are properly certified.

18. The visa and certification system established by letters dated July 1 and July 7, 1976, as amended, between the Government of the United States of America and the Government of the Republic of the Philippines will remain in force subject to paragraph 11 of this agreement.

19. The Government of the Republic of the Philippines shall administer its export control system under this Agreement. The Government of the United States of America may assist the Government of the Republic of the Philippines in implementing the limitation provisions of this Agreement by controlling imports of textiles and textile products covered by this Agreement.

20. The Government of the United States of America and the Government of the Republic of the Philippines agree to consult, upon the request of either Government, on any question arising in the implementation of this agreement.

21. The Government of the United States of America and the Government of the Republic of the Philippines may at any time propose revisions in the terms of this Agreement. Each agrees to consult promptly with the other about such proposals with a view to making such revisions to this Agreement, or taking such other appropriate action as may be mutually agreed upon.

22. The two governments agree to undertake after the end of the first Agreement Year, a major review of the Agreement.

23. In conformity with Article 8 of the Arrangement, the Republic of the Philippines and the United States of America shall cooperate to avoid circumvention of the Agreement. Any actions with a view to avoid circumvention shall comply with the provisions established in paragraph 14 of the Protocol of December 22, 1981 extending the MFA (Document - GATT L/5276).

24. This Agreement will supersede the Agreement relating to trade in cotton, wool and man-made fiber textiles and textile products which entered into force on January 1, 1978.

25. Either Government may terminate this agreement, effective at the end of an agreement year, by written notice to the other Government, to be given at least 90 days prior to the end of such agreement year.

If the foregoing conforms with the understanding of the Government of the Republic of the Philippines, this note and your Excellency's note of confirmation on behalf of the Government of the Republic of the Philippines shall constitute an agreement between our two Governments, which shall enter into force on January 1, 1983.

Accept, Excellency, the renewed assurances of my highest consideration.

For the Secretary of State:
