Communication Dated 27 March 1974

Further to my communication of 26 March and in accordance with the agreement reached by the GATT Textiles Committee at its first meeting with respect to the conditions for accession of countries not contracting parties to the GATT to the Arrangement Regarding International Trade in Textiles, in my capacity as head of the Mexican delegation to the aforementioned meeting I wish to reaffirm to you that my country, which is not a contracting party to the General Agreement, hopes, by virtue of acceding to the Arrangement and in respect of all matters covered by the Arrangement, to obtain treatment equal to that afforded to other participating countries having similar economic systems and levels of development.
