TO THE MISSIONS OF ALL COUNTRIES PARTICIPATING IN THE ARRANGEMENT REGARDING INTERNATIONAL TRADE IN TEXTILES

Note by the Chairman of the Textiles Surveillance Body

I would like to invite the special attention of the Members of the Arrangement regarding International Trade in Textiles to the mailing address they use when writing to the Textiles Surveillance Body. It has happened that urgent and important letters have been addressed to it at the "New ILO Building". Such letters have often reached us two or three days late because of delays in registry procedures.

The only address to be used is that of the GATT (Villa le Bocage - Palais des Nations - 1211 Genève 10); an efficient car service brings us the mail as soon as it is received in GATT. Urgent mail should be marked accordingly.

Of course, letters or other communications can also be sent by messenger to the Secretariat of the TSB, but should then be brought directly to the offices of the Secretariat on the 9th floor of the ILO Building (offices No. 69: Mrs. Bienner; or No. 65: Mrs. Giannelli).
