Restraint currently in effect

1. Renewal of restraint

BRAZIL (Non-participant in the LTA)

"This is to inform you that by diplomatic note, dated 27 October 1964, the United States Government informed the Government of Brazil that it was renewing the restraint on category 9 at a level of 525,000 square yards for the twelve-month period beginning on 28 October 1964. In accordance with the provisions of Annex B, paragraph 2, of the Long-Term Arrangement, the renewal level for category 9 includes a 5 per cent increase over the previous year's ceiling."

2. Non-renewal of restraint

MEXICO (LTA participant)

"This is to inform you that the United States Government and the Government of Mexico have mutually agreed that the restraint on category 1 with regard to Mexico, which became effective on 1 October 1963, for a period of twelve months, would not be renewed."

USSR (Non-participant in the Long-Term Arrangement)

"This is to inform you that notwithstanding the fact that the United States market continues to be disrupted in category 19, the United States Government has decided not to renew the restraint on that category with regard to the Union of Soviet Socialist Republic since there were no exports from that country to the United States during the twelve-month period of the restraint which began on 10 October 1963."
