LONG-TERM ARRANGEMENT REGARDING INTERNATIONAL TRADE  
IN COTTON TEXTILES

Agreement between Hong Kong and the Federal Republic of Germany

Addendum

The following communication has been transmitted by the Government of the Federal Republic of Germany as supplementing the information set forth in document COT/21:

"The export restrictions on cotton shirts (No. 6103 50 on the list of commodities for foreign trade statistics) agreed between the Federal Government and the Government of Hong Kong were lifted after the expiry of the period from 1 October 1962 to 30 September 1963, for which they were applicable. Exports of these goods from Hong Kong to the Federal Republic are not at present subject to any kind of quantitative restriction. The request for export restrictions (document COT/6 of 5 November 1963, pp. 3 to 5), communicated by the Note Verbale of 30 October 1962, is thereby settled."
