ARRANGEMENT REGARDING INTERNATIONAL TRADE  
IN COTTON TEXTILES

Information Submitted by Canada

Addendum

The following communication has been received by the Director-General from the Canadian mission, for notification to the Cotton Textiles Committee.

RESTRAINT APPLIED BY ISRAEL ON EXPORTS  
OF COTTON YARN TO CANADA

In accordance with the provisions of the Arrangement Regarding International Trade in Cotton Textiles, the Governments of Israel and Canada have agreed that the Government of Israel shall limit exports of cotton yarn to Canada during the calendar years 1969 and 1970 to the levels noted below.

<u>Calendar year</u>	<u>Effective level of restraint</u>
1 January 1969- 31 December 1969	1,735,000 lb.
1 January 1970- 31 December 1970	1,935,000 lb.

- Note:
1. The levels of restraint take into account shipments of cotton yarn in excess of the agreed restraint levels for the calendar years 1966 and 1967.
  2. Exports of cotton yarn for use in the manufacture of sewing thread will not be counted against the restraint levels after 1 January 1969.
