ARRANGEMENT REGARDING INTERNATIONAL TRADE
IN COTTON TEXTILES

Agreement Between Pakistan and Italy

Attached is the text of the Agreement concluded between the Governments of Pakistan and Italy concerning trade in cotton textiles.

The text of this Agreement has been transmitted to the Director-General by the Italian Permanent Mission for notification to the Cotton Textiles Committee.

AGREEMENT BETWEEN PAKISTAN AND ITALY
CONCERNING TRADE IN COTTON TEXTILES

The Government of Pakistan on the one hand, and the Government of Italy on the other,

Desiring to ensure the orderly development of trade in cotton textiles between Pakistan and Italy in accordance with the provisions of the Long-Term Arrangement of Geneva Regarding International Trade In Cotton Textiles (hereinafter referred to as the Geneva Arrangement), entered into force on 1 October 1962 and extended until 1 October 1970, and in particular Article 4 thereof, which provides for the conclusion of mutually acceptable arrangement,

Have agreed upon the following provisions:

Article 1

SCOPE

This Agreement shall apply to cotton textiles originating in and despatched from Pakistan and listed in the Annex to this Agreement. Provided that no limitation shall be applied to transactions concerning handloom cotton fabrics if the said products are accompanied by a certificate issued by the competent authorities of Pakistan and recognized by the customs authorities of Italy.

Article 2

GENERAL PROVISIONS

For the duration of this Agreement and by virtue of the provisions contained therein or annexed thereto, the Government of Italy undertakes not to introduce new quantitative restrictions and agrees not to invoke the provisions of Article 3 of the Geneva Arrangement as long as imports into the importing country of cotton textiles originating in and despatched from Pakistan do not exceed the quantities agreed upon.

The Government of Pakistan undertakes to take the appropriate measures, especially when so requested by the Government of Italy, to ensure that the ceilings agreed upon are respected, and to co-operate with the Government of Italy in implementing the measures recognized as necessary for this purpose.

The provisions of the Geneva Arrangement shall remain in force between the two Governments.

Article 3

CEILINGS

(a) Global ceiling: The total quantity for Italy agreed upon for each twelve-months period shall be 1,100 metric tons.

(b) Ceilings by groups of categories: The said total quantity shall be apportioned as follows between the two main groups of categories of products:

	<u>Metric tons</u>
<u>Group I</u> - Cotton fabrics, grey or bleached, whether or not mercerized	900
<u>Group II</u> - Other cotton fabrics, made-up articles and miscellaneous articles of cotton	200

(c) Specific ceilings: Up to each of the ceilings by groups of categories established under (b) above, specific ceilings will be agreed upon in order to prevent excessive concentration of trade on certain products; these ceilings will be fixed on the basis of the Annex to this Agreement.

If, in the course of one of the twelve-months periods, the Government of Italy note a rapid and substantial growth in imports of certain products which are not covered by specific ceilings, it may request that a specific ceiling be fixed. Where such a request is made, consultations shall be held forthwith to agree upon the level of a specific ceiling for the product in question.

Article 4

TRANSFERS

No transfer may be made between the quantity fixed for Group I and that fixed for Group II, given in portion (b) of Article 3 above.

The specific ceilings must not be exceeded; within the framework of ceilings by groups the unused portions of the specific ceilings may be used for the other categories of the group which are not covered by specific ceilings.

AMOUNTS CARRIED OVER

Portions of one of the ceilings for the two groups of categories not used during any twelve-months period can be carried over and added to the ceiling for the same group in the following twelve-months period up to a maximum of 10 per cent of the ceiling in question.

The unused portions of the specific ceilings by category may be carried over and added to the same specific ceilings for the following year up to a maximum of 10 per cent of the said ceilings if the specific ceilings have not been the subject of a transfer or of a carry-over for some other purpose.

ADVANCE DELIVERIES

Within a limit of 5 per cent of each of the ceilings agreed upon, advance deliveries shall be authorized from the ceiling established for the following twelve-months period, if the Government of Pakistan so requests in writing in due time; the Government of Pakistan, however, shall endeavour to ensure that exports of cotton textiles of all categories are spaced out as regularly as possible over each of the twelve-months periods, taking seasonal factors in particular into account. Amounts delivered in advance shall be deducted from the ceilings for the following twelve-months period.

Article 5

CO-OPERATION

The signatory Governments agree to exchange all information relating to exports of cotton textiles from Pakistan to Italy and to the corresponding imports into Italy.

Each signatory Government shall, for the purpose of this Agreement, apply whatever classification it has available and shall co-operate in facilitating comparison of information thus supplied.

Article 6

MAINTENANCE OF TRADE PATTERNS

Should the Government of Italy inform the Government of Pakistan that difficulties have arisen, by virtue of this Agreement, regarding the maintenance of existing commercial relations between importers in Italy and their suppliers in Pakistan, the signatory Governments shall take all the necessary measures to ensure that these commercial relations are maintained.

Article 7

CONSULTATIONS

The signatory Governments undertake to consult each other, at the request of either the Government of Pakistan or the Government of Italy on all problems arising from the implementation of this Agreement.

Furthermore, the signatory Governments agree to take part each year and whenever it may appear to be necessary, at the request of one of the parties, in consultations between representatives of Pakistan and representatives of the member States of the European Economic Community as well as of the Commission of the European Communities regarding the overall aspects of trade in cotton textiles.

Article 8

FINAL PROVISIONS

The present Agreement shall enter into force on the date of its signature, with retroactive effect as from 1 October 1967, and shall remain in force for a period of three years, it being understood that, by reason of certain elements proper to the European Economic Community, the application of the present Agreement can only be effected in so far as similar agreements between the other member States of the European Economic Community and Pakistan shall have been signed.

Notwithstanding the provisions of the preceding paragraph, any signatory Government shall have the right to denounce the present Agreement in writing upon at least 120 days' notice to the other signatory Government, with effect from either 1 October 1968 or 1 October 1969.

The Annex to the present Agreement forms an integral part thereof.

IN WITNESS WHEREOF, the undersigned representatives, duly authorized thereto, have signed the present Agreement.

DONE at Rome, this 24 May 1968, in duplicate, in the English and Italian languages, both texts being equally authoritative.
