ARRANGEMENT REGARDING INTERNATIONAL TRADE IN COTTON TEXTILES

Agreement between the Benelux Countries and Pakistan

Attached is the text of the Agreement concluded between the Benelux countries and Pakistan concerning trade in cotton textiles.

The text of this Agreement has been transmitted to the Director-General by the Permanent Delegations of Belgium and the Netherlands for notification to the Cotton Textiles Committee.

The Government of the Kingdom of the Netherlands,  
and the Government of the Kingdom of Belgium, acting in its own name and on behalf of the Government of the Grand Duchy of Luxemburg according to existing agreements,

These Governments acting together under the Treaty establishing the Benelux Economic Union, signed at The Hague on 3 February 1958, on the one hand,

and the Government of the Islamic Republic of Pakistan on the other,

Desiring to ensure the orderly development of trade in cotton textiles between the Benelux countries and Pakistan in accordance with the provisions of the Long-Term Arrangement of Geneva Regarding International Trade in Cotton Textiles (hereinafter referred to as the Geneva Arrangement), entered into force on 1 October 1962 and extended until 1 October 1970, and in particular Article 4 thereof, which provides for the conclusion of mutually acceptable arrangements,

Have agreed upon the following provisions:

#### ARTICLE 1

##### Scope

This Agreement shall apply to cotton textiles originating in and despatched from Pakistan and listed in the Annex to this Agreement. Provided that no limitation shall be applied to transactions concerning hand-loom cotton fabrics if the said products are accompanied by a certificate issued by the competent authorities of Pakistan and recognized by the customs authorities of the Benelux countries.

#### ARTICLE 2

##### General Provisions

For the duration of this Agreement and by virtue of the provisions contained therein or annexed thereto, the Governments of the Benelux countries undertake not to introduce new quantitative restrictions and agree not to invoke the provisions of Article 3 of the Geneva Arrangement as long as imports into the importing countries of cotton textiles originating in and despatched from Pakistan do not exceed the quantities agreed upon.

The Government of the Islamic Republic of Pakistan undertake to take the appropriate measures, especially when so requested by the Benelux countries, to ensure that the ceilings agreed upon are respected, and to co-operate with the Governments of the Benelux countries in implementing the measures recognized as necessary for this purpose.

The provisions of the Geneva Arrangement shall remain in force between the signatory Governments.

### ARTICLE 3

#### Ceilings

##### (a) Global ceiling

The total quantity for the Benelux countries agreed upon for each twelve-month period shall be 500 metric tons.

##### (b) Ceiling by groups of categories

The said total quantity shall be apportioned as follows between the two main groups of categories of products:

		<u>Metric tons</u>
Group I	Cotton fabrics, grey or bleached, whether or not mercerized	370
Group II	Other cotton fabrics, made-up articles and miscellaneous articles of cotton	130

##### (c) Specific ceilings

Up to each of the ceilings by groups of categories established under (b) above, specific ceilings will be agreed upon in order to prevent excessive concentration of trade on certain products; these ceilings will be fixed on the basis of the Annex to this Agreement.

If, in the course of one of the twelve-month periods, the Governments of the Benelux countries note a rapid and substantial growth in imports of certain products which are not covered by specific ceilings, they may request that a specific ceiling be fixed. Where such a request is made, consultations shall be held forthwith to agree upon the level of a specific ceiling for the product in question.

### ARTICLE 4

#### Transfers

No transfer may be made between the quantity fixed for Group I and that fixed for Group II.

The specific ceilings must not be exceeded; within the framework of ceilings by groups the unused portions of the specific ceilings may be used for the other categories of the group which are not covered by specific ceilings.

#### Amounts Carried Over

Portions of one of the ceilings for the two groups of categories not used during any twelve-month period can be carried over and added to the ceiling for the same group in the following twelve-month period up to a maximum of 10 per cent of the ceiling in question.

The unused portions of the specific ceilings by category may be carried over and added to the same specific ceilings for the following year up to a maximum of 10 per cent of the said ceilings if the specific ceilings have not been the subject of a transfer or of a carry-over for some other purpose.

#### Advance Deliveries

Within a limit of 5 per cent of each of the ceilings agreed upon, advance deliveries shall be authorized from the ceiling established for the following twelve-month period, if the Government of the Islamic Republic of Pakistan so requests in writing in due time; the Government of the Islamic Republic of Pakistan, however, shall endeavour to ensure that exports of cotton textiles of all categories are spaced out as regularly as possible over each of the twelve-month periods, taking seasonal factors in particular into account. Amounts delivered in advance shall be deducted from the ceilings for the following twelve-month period.

### ARTICLE 5

#### Co-operation

The signatory Governments agree to exchange all information relating to exports of cotton textiles from Pakistan to the Benelux countries and to the corresponding imports into these countries. Each signatory Government shall, for the purposes of this Agreement, apply whatever classification it has available and shall co-operate in facilitating comparison of information thus supplied.

### ARTICLE 6

#### Maintenance of Trade Patterns

Should the Governments of the Benelux countries inform the Government of the Islamic Republic of Pakistan that difficulties have arisen, by virtue of this Agreement, regarding the maintenance of existing commercial relations between importers in the Benelux countries and their suppliers in Pakistan, the signatory Governments shall take all the necessary measures to ensure that these commercial relations are maintained.

## ARTICLE 7

### Consultations

The signatory Governments undertake to consult each other, at the request of either the Government of the Islamic Republic of Pakistan or the Governments of the Benelux countries, on all problems arising from the implementation of this Agreement.

Furthermore, the signatory Governments agree to take part each year and whenever it may appear to be necessary, at the request of one of the parties, in consultations between representatives of the Islamic Republic of Pakistan and representatives of the member States of the European Economic Community as well as of the Commission of the European Communities regarding the overall aspects of trade in cotton textiles.

## ARTICLE 8

### Final Provisions

As regards the Kingdom of the Netherlands, the present Agreement shall only apply to the territory of the Kingdom situated in Europe.

The present Agreement shall enter into force on the date of its signature, with retroactive effect as from 1 October 1967, for a period of three years, it being understood that, by reason of certain elements proper to the European Economic Community, the application of the present Agreement can only be effected in so far as similar agreements between the other member States of the European Economic Community and the Islamic Republic of Pakistan shall have been signed.

Notwithstanding the provisions of the preceding paragraph, any signatory Government shall have the right to denounce the present Agreement in writing, upon at least 120 days' notice to the other signatory Governments, with effect from either 1 October 1968 or 1 October 1969.

The Annex to the present Agreement forms an integral part thereof.

The provisions of paragraph 4 of the Protocol entered into force on 1 October 1967, extending the Geneva Arrangement shall be applicable to this Agreement. In case of application, the undertakings contained in this Agreement shall be set out in an appropriate form.

IN WITNESS WHEREOF, the undersigned representatives, duly authorized thereto, have signed the present Agreement.

DONE at Brussels, this third day of May 1968, in triplicate in the English and French languages, both texts being equally authoritative.
