## ARRANGEMENT REGARDING INTERNATIONAL TRADE IN COTTON TEXTILES

### Agreement Between the Benelux Countries and Hong Kong

The following communication has been received by the Director-General from the permanent representative of the Kingdom of the Netherlands.

The permanent representative of the Kingdom of the Netherlands to the Office of the United Nations and other international organizations in Geneva, acting in his own capacity as well as on behalf of the permanent representatives of Belgium and Luxemburg, presents his compliments to the Director-General of the General Agreement on Tariffs and Trade and has the honour to inform him that, following sharply increased imports of cotton products from Hong Kong into the Benelux countries, consultations were held in Hong Kong from 17-29 June 1968 between representatives of the Governments of Hong Kong and the Benelux countries pursuant to Article 4 of the Long-Term Arrangement Regarding International Trade in Cotton Textiles. As a result of these consultations an Agreement was reached and was signed at Hong Kong on 18 November 1968 for the limitation of exports of cotton products from Hong Kong to the Benelux countries over the period 1 July 1968-31 December 1969.

A copy of the Agreement and its annex, which was put into force provisionally from 1 July 1968 pending its approval by the respective Governments, is enclosed herewith.

It will be noted from this material that during the above-mentioned period the export of all cotton products, with the exception of cotton yarns, from Hong Kong to the Benelux countries will be limited by the Hong Kong Government to the following quantities:

Group I: cotton fabrics, grey or bleached - 600 metric tons

Group II: other cotton fabrics, made-up articles and miscellaneous articles of cotton, except cotton yarns - 2,553 metric tons

It should also be noted that, with the conclusion of this Agreement, the arrangement, under Article 3 of the Cotton Textiles Arrangement for the limitation of the export of certain cotton textiles products from Hong Kong to the Benelux countries, which was notified in note No. 2660 dated 5 September 1967, has been

terminated as from 30 September 1968. The products concerned will be covered by the new Agreement as from 1 October 1968.

It would be appreciated if the information in this note and its enclosures could be drawn to the attention of the Cotton Textiles Committee.

AGREEMENT BETWEEN THE BENELUX ECONOMIC UNION AND HONG KONG  
CONCERNING TRADE IN COTTON TEXTILES, EXCLUDING YARNS

Preamble

The Government of the Kingdom of Belgium, acting in its own name and on behalf of the Government of the Grand Duchy of Luxemburg according to existing agreements,

and the Government of the Kingdom of the Netherlands,

These Governments acting together under the Treaty establishing the Benelux Economic Union, signed at The Hague on 3 February 1958, on the one hand,

and the Government of Hong Kong on the other,

Desiring to ensure the orderly development of trade in cotton textiles between the Benelux countries and Hong Kong in accordance with the provisions of the Long-Term Arrangement of Geneva Regarding International Trade in Cotton Textiles (hereinafter referred to as the Geneva Arrangement), entered into force on 1 October 1962 and extended until 30 September 1970, and in particular Article 4 thereof, which provides for the conclusion of mutually acceptable arrangements,

Have agreed upon the following provisions:

Clause 1  
Scope

This Agreement shall apply to cotton textiles of Hong Kong origin and listed in the annex to this Agreement.

Clause 2 (a)  
General provisions

For the duration of this Agreement and by virtue of the provisions contained therein or annexed thereto, the Governments of the Benelux countries undertake not to introduce new quantitative restrictions and agree not to invoke the provisions of Article 3 of the Geneva Arrangement as long as imports into the Benelux countries of cotton textiles of Hong Kong origin and despatched from Hong Kong do not exceed the quantities agreed upon.

(b) Except as otherwise provided in this Agreement, the provisions of the Geneva Arrangement shall remain in force between the signatory Governments.

(c) The undertaking of 29 August 1967 by the Hong Kong Government remains in force until the expiry of that undertaking on 30 September 1968.

(d) The Government of Hong Kong undertake to take the appropriate measures to ensure that the ceilings agreed upon are respected, and to co-operate with the Governments of the Benelux countries in implementing the measures recognized as necessary for this purpose.

Clause 3 (a) Global ceiling  
Ceilings

The total quantity agreed upon for the period of this Agreement shall be 3,153 metric tons. Since the specific ceilings established under the undertaking of 29 August 1967, remain in force until 30 September 1968, provision for the export of the products concerned during the period 1 July 1968 to 30 September 1968 is not included in the quantities mentioned in this clause.

(b) Ceilings by groups of categories

The said total quantity shall be apportioned as follows between the two main groups of categories of products:

	<u>Metric tons</u>
<u>Group I</u> Cotton fabrics, grey or bleached, whether or not mercerized, except pile and chenille fabrics (other than terry fabrics)	600
<u>Group II</u> Other cotton fabrics, made-up articles and miscellaneous articles of cotton	2,553

(c) Specific ceilings

Up to each of the ceilings by groups of categories established under (b) above, specific ceilings will be agreed upon in order to prevent excessive concentration of trade on certain products; these ceilings will be fixed on the basis of the annex to this Agreement.

- (d) If the Governments of the Benelux countries note a rapid and substantial growth in imports of certain products which are not covered by specific ceilings, they may request that a specific ceiling be fixed. Where such a request is made, consultations shall be held without delay with a view to reaching agreement upon a specific ceiling for the product in question.

Clause 4 (a) No transfer may be made between the quantity fixed for Group I  
Transfers and that fixed for Group II.

- (b) The specific ceilings must not be exceeded; within the framework of ceilings by groups the unused portions of the specific ceilings may be used for the other categories of the group which are not covered by specific ceilings.

Clause 5 (a)      The Government of Hong Kong shall use its best efforts to ensure that exports of cotton textiles of all categories are spaced out as regularly as possible over the period of this Agreement, taking seasonal factors in particular into account.

Co-operation

(b)      The signatory Governments agree to exchange all information relating to exports of cotton textiles from Hong Kong to the Benelux countries and to the corresponding imports into these countries.

(c)      Each signatory Government shall, for the purpose of this Agreement, apply whatever classification it has available and shall co-operate in facilitating comparison of information thus supplied.

Clause 6      Should the Governments of the Benelux countries inform the Government of Hong Kong that difficulties have arisen, by virtue of this Agreement, regarding the maintenance of existing commercial relations between importers in the Benelux countries and their suppliers in Hong Kong, the signatory Governments shall take all the necessary measures to ensure that these commercial relations are maintained.

Maintenance  
of trade  
patterns

Clause 7      The signatory Governments undertake to consult each other, at the request of either the Government of Hong Kong or the Governments of the Benelux countries, on any problem arising from the implementation of this Agreement.

Consulta-  
tions

Clause 8 (a)      As regards the Kingdom of the Netherlands, the present Agreement shall only apply to the territory of the Kingdom situated in Europe.

Final  
provisions

(b)      When the obligations arising from the Treaty establishing the European Economic Community and concerning the progressive establishment of a common trade policy should make it necessary, negotiations shall be started within the shortest possible time on any appropriate amendments to the present Agreement.

(c)      The present Agreement shall enter into force on the date of its signature, with retroactive effect from 1 July 1968. It shall remain in force until 31 December 1969.

(d)      The annex to the present Agreement forms an integral part thereof.

In witness whereof, the undersigned representatives, duly authorized thereto, have signed the present Agreement.

Done at                      this                      day of                      1968, in  
triplicate, in the French and English languages, both texts being  
equally authoritative.
