## SCHEDULE XXXI - URUGUAY

### Article XXVII - Withdrawal of Concessions

The Delegation of Uruguay has informed the secretariat that the Government of Uruguay has decided to withdraw from Schedule XXXI, in accordance with the provisions of Article XXVII, the concessions listed in the annexes hereto.

These concessions were initially negotiated with Colombia (Annex A), which did not accede to the General Agreement after having taken part in the negotiations at Annecy, and with China (Annex B), which is no longer a contracting party. The concessions listed in Annex B have been negotiated with China and France (with exception of tariff item number XI-450-42 which was only negotiated with China); the withdrawal of the concessions affects only China.

The withdrawal of the above-mentioned concessions will be effective from 1 January 1962.

In accordance with the provisions of Article XXVII the Government of Uruguay is prepared to consult with any country having a substantial interest in the products concerned.
