### Addendum

### - AUSTRIA<sup>1</sup>

The following revised notification received from the representative of Austria shows the tariff items still under quantitative restriction as from 9 July 1969 when imported into Austria from GATT countries to which Austria has contractual obligations.<sup>2</sup> This notification reflects the liberalization vis-à-vis GATT countries of imports of dead poultry (BTN 02.02) with effect from 9 July 1969.

The Austrian Government is prepared to make known its opinion on the extent to which the restrictions relating to these products are permitted by virtue of the terms of the Torquay Protocol to the General Agreement.
