## NOTIFICATIONS OF IMPORT RESTRICTIONS OF NEWLY-INDEPENDENT COUNTRIES

### Addendum

#### MALTA<sup>1</sup>

The Government of Malta has submitted the complete text of its import regulations, as revised to 20 May 1969, which is available for reference use at the secretariat. Following are a summary of the general provisions prepared in the secretariat and lists of goods not on open general licence submitted by the Government of Malta.

1. All imports into Malta are subject to licensing except as otherwise provided. An open general licence is granted for all goods other than those listed in a schedule annexed to the regulation which generally corresponds to the goods shown in the lists annexed to this notification.
2. The open general licence applies to the Relaxation Area (all countries and territories other than Southern Rhodesia not for the time being included in the Dollar Area or the Eastern Area), and to the Dollar Area (Bolivia, Canada, Colombia, Costa Rica, Cuba, the Dominican Republic, Ecuador, El Salvador, Guatemala, Haiti, Honduras, Liberia, Mexico, Nicaragua, Panama, the Philippines, the United States of America and Venezuela). Included in the Eastern Area are Albania, Bulgaria, Czechoslovakia, Eastern Germany, Hungary, North Korea, North Viet-Nam, Poland, Romania and the Union of Soviet Socialist Republics.
3. An order for goods must be definitely placed and confirmed within one month from the date of issue of the licence and goods must be shipped within eight months from the date of issue of the licence unless another date has been specified on the licence, but the periods mentioned may be extended by the Director of Trade, who is responsible for issuance of licences, in his discretion.

The provisions of the import regulation do not apply in so far as they may be inconsistent with any international arrangement to which Malta is a party.
