## FIRST CERTIFICATION OF CHANGES TO SCHEDULES

Entry into Force on 12 July 1969

A draft of the First Certification of Changes to Schedules was distributed to contracting parties on 12 May 1969 with documents L/3202 and Spec(69)65. Since no contracting party has raised an objection within the stipulated period, this First Certification entered into force on 12 July 1969 in accordance with the Decision of the CONTRACTING PARTIES of 19 November 1968.

The Certification has been deposited with the Director-General. It will be registered in accordance with the provisions of Article 102 of the Charter of the United Nations and a certified true copy will be sent to each contracting party.

Although no objections were actually raised, contracting parties requested that the following corrections of a purely formal character be made in the lists of changes as circulated in document Spec(69)65:

1. Schedule V - Canada, French text

The heading which reads "Position 93907-1. Note 2." should read "Page 319 - Volume I, Observation 2.".

2. Schedule XIX - United Kingdom, Part I

"Item 33.06" should read "Item ex 33.06".

"Item 39.01 (first continuation)" should read "Item ex 39.01 (first continuation)".

3. Schedule XXVII - Turkey

Under item 28.04 b), the "ex" in the first column opposite "Métalloïdes." should be deleted.

These changes will be reflected in the original copy deposited with the Director-General and in the certified true copies to be circulated to contracting parties.
