## LUXEMBOURG IMPORT RESTRICTIONS ON AGRICULTURAL PRODUCTS

### Communication from Luxembourg Government

It will be recalled that when the waiver from the provisions of Article XI, granted to Luxembourg in 1955 (BISD, Fourth Supplement, page 27), was last reviewed in 1966 it was agreed that the waiver should be reviewed again in 1970 (BISD, Fourteenth Supplement, page 195). The Director-General has received the following communication on the subject from the permanent representative of Luxembourg.

---

I have the honour to inform you that since last May, in pursuance of a decision by my Government, Luxembourg has ceased to have recourse to the provisions of the waiver granted to it in 1955.

As stated by the Luxembourg representative at the meeting of the Joint Working Group on Import Restrictions on 20 April 1970, with effect from 1 May 1970 Luxembourg has liberalized all the products listed in the annex to the Decision of the CONTRACTING PARTIES of 1955.

Accordingly there is no further need for review of this waiver by the CONTRACTING PARTIES.
